THE CHOICE TO BREAK FREE

SPECIAL POINTS OF INTEREST

- Announcing the Psychic Study and Experimentation Group
- Focus on The Devil—tarot card
- New events for Tarot and Occult Lovers

It is said that there are no limitations except the ones we set for ourselves.

Life is truly a journey from the darkness of ignorance towards the Light.

To free ourselves from the shackles of ignorance we have to face our 'Devil' - the part of us that represents our inner fears, blockages and self imposed limitations, no matter how 'external' they may seem.

Often we aspire to achieve great spiritual progress and success but do little about it (because it is so difficult sometimes to overcome our own inertia)... a common excuse being—"I will do it in future...right now I am helpless.."

The way to deal with the Devil is to take charge of one's own

life and make an effort to move in the direction of freedom and spiritual growth.

A person of 'Tamasic' nature takes few such efforts and in fact may even believe himself to be in a good position of comfort, while actually being a

slave of his own ego based desires. A person going through a troubled time could be actually in the process of breaking free with struggle being a sign that his energy is being raised in the form of 'Rajasa'.. though sometimes it can be misdirected in the form of anger and violence. How much one can take proper charge of one's life and steer it in the right direction depends on the strength of his 'Satva' or positive energy.

We all are essentially moving towards a greater realization of Truth and Love which is truly what sets one free from all fear. *Tamaso Ma Jyotirgamaya!*

The decision to be free is ours to take....right Now!

“As you face this card visualize yourself facing your own fears and ignorance.”

MEDITATION - THE DEVIL

In spite of the dark traditional associations of the Devil card, it can be used for meditation provided you are unafraid of facing your own subconscious fears and self imposed limitations. Choose a copy of The Devil card to represent these for you. As you face this card visualize yourself facing your own fears and ignorance. The first step towards transformation of the negative blocks

into positive energy is to be aware of the blocks in the first place. Say with confidence, “I am unafraid of my fears and self imposed limitations. I know that I can overcome them through my own positive energy. I am free from negativity. So Be It!”

Now burn the copy of The Devil card in the flame of a white candle visualizing all the darkness being trans-

formed into light and the negativity being transmuted into positive energy.

Feel a sense of release and liberation and the joy and love of the universe which is your true reality. Now meditate in inner silence and absorb and be aware of the cosmic energies that are being sent to help you in every step of your life path.
